

Fortrend Investment Advisers Huw Davies & Christopher Wollermann present:

Diversification through Exchange Traded Funds (ETF's)

Fortrend is uniquely positioned to offer direct access to International Exchange Traded Funds to our clients.

Some key elements of ETF's:

- Low cost
- Instant diversification
- Investment transparency
- Traded on major stock exchanges
- Track specific market indices or sectors

We will address the diversification challenge, key ETF elements and portfolio construction.
